INSTRUCTIONS, RULES & REGULATIONS

The Dead2Red Running Race covers a distance of 242km starting at the Mujib Bridge, on the shores of the Dead Sea and ending at the Movenpick Hotel Aqaba City on the Red Sea. Runners can participate in this event in teams of 5 or 10 and must complete the distance in 24 hours. In the Solo Category runners have 34 hours to complete a distance of 200km. This is a fun, challenging, and exciting event. We rely on the honesty of each individual/team to participate within the rules of this event.

Safety is of the utmost importance and we strive to maintain a safe environment throughout the duration of the event. We have created the necessary rules and regulations to maintain your safety and security, without affecting your performance, adding any extra burden on you or taking the fun out of this unique event! **Your cooperation in observing our safety rules is expected and appreciated, regardless of whether you are a runner, supporter, driver, sponsor, from the media or any other party involved in the event.**

The environment and the beauty of our country are important to us. Please respect nature and do not litter along the race route. We will provide trash bags and bags for recyclables for each team. (Please note that in Jordan the following items qualify for recycling: plastic, paper and cans. Tetra-pak and glass containers are currently NOT recyclable in Jordan). Kindly collect your trash in the appropriate bags and keep them **inside** your support vehicle to be disposed of at the finish line or in any dumpsters along the route. We appreciate your support in protecting our planet.

ALL TEAM MEMBERS AND SUPPORTERS/DRIVERS MUST report for final check-in at the Starting Point to receive bracelets and final instructions. Any participant/team who does not sign in will not be considered as officially participating in the race. ANY PARTICIPANT FOUND WITHOUT THE OFFICIAL DEAD2RED BRACELET CAUSES THE ENTIRE TEAM TO BE DISQUALIFIED.

INSURANCE:

Due to the nature of this type of event, we highly recommend that you/your team members have your doctors' permission to participate. Adventure races, such as ours on open roadways have inherent hazards that you/your team members must be aware of and prepared for. It is highly recommended to you/your team members to also have current insurance which covers you and others in case of any personal accidents. **If you decide against taking our advice, please be aware that the required signed Waiver absolves Amman Road Runners and Dead2Red Committee and all race officials from any and all damages, injuries and claims.**

CHEATING:

This is a fun race based on the honor system. We depend on your honesty and integrity throughout the race and we expect you to try your very best to finish the race within the allowed time of 24 hours. The Dead2Red Committee does all that it can to prevent and deter cheating at this fun event. However, a limited number of marshals and the long distance of the race route prevent us from fully monitoring all race participants at all times. Therefore, if you witness any cheating we suggest that you videotape the cheaters in action and submit it to the Committee **immediately following the end of the race.** The Committee will review any submitted video evidence and determine whether cheating has truly occurred. **Any team caught cheating in any manner will be disqualified immediately and all team members will be banned from participating in all future Amman Road Runners events.**
