I, the undersigned, Dr.

Address

Certify that Mr./Mrs./Miss

Born on

Has undergone a thorough clinical examination with a weight of _____ kilograms

Blood pressure of _____ and a pulse of _____ per minute, a normal electrocardiogram.

This ECG report at rest must be shown along with this certificate.

And does not indicate any medical objection to participating in a running race of about 200 kilometers, or an endurance trek in an extremely arid climate with temperatures of up to 45°C.

Over the age of 40, an ECG during effort is strongly recommended in addition to the ECG at rest. The results can be attached to the medical certificate.
